TERMS AND CONDITIONS:

1. \$25 deductible for each processed claim on any accidental damage, wear and tear or breakage to your Transcend[®] miniCPAPTM and its AC power supply for five years.
2. Protection plan must be purchased within 90 days of receiving your miniCPAP device.
3. No deductible will be collected on any manufacturer warranty issues. This policy extends your manufacturer warranty to five years; the duration of your protection plan.
4. This protection plan does not cover loss or theft.
5. Defective or broken product must be returned to the manufacturer with a Somnedics-issued Return Materials Authorization (RMA) number to process a claim.
6. To make a claim, contact Somnedics International, Inc. at 877-621-9626 or rma@somnedics.com.
7. Return shipping costs are the responsibility of the customer.
8. Product will be returned to customer at company's expense via standard ground shipping within the 48 continental United States. If the customer wishes to choose a faster shipping method or is outside the continental United States, they will be responsible for the cost of shipment.
9. Customer will receive a manufacturer-refurbished or new product replacement, solely at the company's discretion if the product is not repairable.
10. The Transcend Protection Plan is non-transferrable.
11. No refunds or cancellation for the Protection Plan will be given after the 10-day risk-free trial of your miniCPAP device is complete.
12. This protection plan is non-refundable if a claim is made.
13. Transcend Protection Plan covers the PAP unit and included AC power supply only. It does not cover any accessories (batteries, solar panel, humidifier, etc.).
14. Payment for the Protection Plan must be up-to-date at the time the damage or defect claim is made.
15. Your Transcend miniCPAP device serial number is assigned to your Protection Plan when the plan is purchased. If that serial number is replaced during the policy period, then the new serial number will be attached to that policy for the duration of the policy term, but not beyond the term of the protection plan.

*The Transcend Protection Plan is offered by Somnedics International, Inc. This protection plan does not cover loss or theft. Plans are non-transferable and no refunds or cancellations of the plan will be granted after the 10-day Trial Period of the miniCPAP is complete. Product must be returned to the manufacturer at the time of the claim for processing. Customer will receive a manufacturer-refurbished or new product replacement solely at the company's discretion if the product is not repairable.
