

Note: For proper mask sizing print out this page at 100%.
Do NOT select the "Shrink oversized pages to paper size" option.
The box in the upper right corner should measure 1 inch square.

The diagram shows a line drawing of a human face with a dashed line indicating the mask's fit. To the right of the face are four horizontal bars of varying lengths, labeled from top to bottom: P, S, M, and MW. A vertical bar on the far right is labeled L. The entire diagram is enclosed in a rounded rectangular frame.
