Comfort meets performance

- **New dual-wall mouth cushion and nasal pillows with trampoline action**—enhance comfort and seal.
- **Seal with stability**—supportive headgear with stabilizing elements helps achieve seal without overtightening mask.
- **Quiet performance**—built-in vents disperse air gently and quietly.
- **A choice of mouth cushion and nasal pillow sizes**—you'll find the perfect fit for you.

Less mask, more freedom

- **Free field of vision**—liberating design gives you the freedom to read, watch television and wear glasses at bedtime.
- **Less contact with skin**—reduces the chances of irritation.
- **Feels light on the face**—one of the lightest full face masks you will find.

Making it easier

- **First-time fit**—dual-wall mouth cushion and nasal pillows provide comfortable seal, when fitted correctly.
- **Easy to put on and take off**—headgear stays in shape when removed.
- **Easy to clean**—fewer parts make it simple to assemble and disassemble.
- **Designed for your lifestyle**—comprehensive support package with travel bag, mask care DVD, quick-fitting guide and user guide.
