Battery Duration Chart[CLICK TO LEARN MORE](#)

SETTING	BATTERY LIFE*
1	5.5 hours
2	4 hours
3	3 hours
4	2 hours
5	2 hours

* Based on up to 20 breaths per minute

** Please note battery times are approximate and can vary based on patient breath rates, battery age and condition as well as other environmental factors. 3B Medical recommends bringing extra batteries to prepare for any unexpected delays in travel.
