Opus™ Nasal Pillows Mask

The *Opus™* Nasal Pillows Mask is small, quiet and superbly comfortable with anatomically designed Silicone Pillows and facially contoured, reinforced headgear.

A ball-and-socket-styled joint combines with an innovative anchoring system to give unprecedented stability and freedom of movement.

The slim-line design allows for side-sleeping without mask displacement.

The *Opus™* Nasal Pillows Masks comes as an Out-of-Box Solution, fully assembled and ready for use with alternative sizes of Silicone Pillows included.
